We welcome 2018 at "Annie's Café"

The first "Annie's Café" for 2018 will be held on Tuesday, January 9th. Each month, this event is held to honor residents who have exhibited responsible conduct throughout the previous month.

Staff and supporters are also invited to attend the dinners. Hostesses and servers are residents from the St. Anne Institute Work Experience Program.

Friends of St. Anne's, including individuals, businesses, and organizations, have helped to sponsor the past several Annie's Café nights. The January, 2018 event is being sponsored by the Albany Marriott. The menu will include a variety of cold weather "comfort foods." In addition, we are delighted that Albany Marriott's Chef Nathan will be preparing a special dessert as part of the hotel's sponsorship. Thank you, Albany Marriott and Chef Nathan!

Next month, Patrick & Erika Gray will be sponsoring the February, 2018 Annie's Café.

Looking into Spring, Kathleen Godfrey of Godfrey Financial Associates, Inc. will be sponsoring both March and April Annie's Café. We are lucky to have so many friends within the St. Anne Community and we thank them for their support!
