St. Anne Institute

The Mission of SAI is to help any child, adult or family entrusted in our care to live with dignity by ensuring their physical well-being & enhancing their lives intellectually, emotionally & spiritually.

A Letter from our CEO

St. Anne Institute has a long history of helping so many children and families in the Capital Region and throughout New York State. As an 853 School, Residential Institute, Homeless Youth Shelter, Community Based Health and Human Services Provider along with numerous other programs, we are looking for your help.

St. Anne Institute recently embarked on an assessment of its facilities and realized that it is time to modernize and update the equipment, facilities, and mechanical operations of the agency. The scope of work needed varies from new elevators, boilers, cooling towers to upgrades to our kitchen and much more. The cost of the total project is \$4.8 Million.

The Development Department has been hard at work enlisting some generous support from Senator Neil D. Breslin, Business for Good Foundation, Stewart's Family Foundation, Foroulis Private Foundation, and the Seymour Fox Foundation. The total raised at the time of this letter is \$535,000 and growing. We know that with your support we can reach our goal and continue to help thousands of individuals each year.

Thank you for your past and continued support of St. Anne Institute, we look forward to seeing you at the GALA!
